

Soil and Water Conservation Districts
of DeKalb, Daviess, Buchanan, and Andrew
are accepting applications for the position of a
Shared Technician

Starting pay: \$14.00/hr with promotion potential with training, testing, and years of experience. Paid health and dental insurance and retirement included.

Job duties include:

Work outdoors under all types of weather conditions and travel over rough and uneven terrain. Work indoors and outdoors with landowners and contractors. Design cost-share practices using specialized designing software. Other technical and administrative duties as assigned. Basic computer skills required. Basic farm knowledge/experience or ability to use surveying instruments is helpful.

Required:

High school diploma or GED

Valid Divers License

Applicant will be subject to a background check

Position will be shared with Andrew, Buchanan, Daviess, and DeKalb Counties. The county in which employee will be stationed from will be determined at a later date.

You may pick up an application at any of the below SWCDs.

Funding for this position will continue until 2019 or as long as the budget for each agency can support the position.

Resume and application must be returned by August 22, 2016.
